Passive Aggressive Wedding Speech

I. Introduction

- A. We are gathered here today to watch my best friend marry the world's dumbest man.
- B. I am the dearly deluded's best friend/ seemingly the only sane person present, and I am here to stop this wedding.
- C. I'm gonna spill the relevant tea as to why I am so desperate to not let this wedding occur.
- D. I cannot let this wedding go on uncontested.
- E. Main points:
 - 1. This man lied about his educational background.
 - 2. This man has next to no redeeming qualities/is a criminal.
 - 3. It's a miracle this wedding actually occurred considering all of the issues we had getting it to go ahead.

TRANSITION: I will say that I did not want it to come to this; I'd hoped to talk her out of this before the wedding, but here we are, and here I am.

II. Body

- A. Richard "Dick" Jenkins has been lying about his educational background
 - 1. Dick has claimed to have been educated at Harvard. He was not.
 - a) His mother has told me that while he applied at Harvard, he got a return letter which said, and I quote, "Haha, absolutely not." Further research has found that Dick at one point attended a singular lecture in Harvard, which he listened to through a window, using a very tall ladder.
 - b) Furthermore it is debatable whether or not he even went to college, seeing as he graduated HS with a gpa of 0.69 (somehow) despite taking mostly remedial classes. Including remedial gym. Which he somehow failed.
 - 2. Dick cannot do math despite claiming to have graduated with a degree in theoretical physics.
 - a) Dick's nonexistent degree at Harvard was apparently in Theoretical Physics. He once asked me how old my 10 year old niece was. At her tenth birthday party. After we just sang the birthday song.

- b) I also once watched him pull out a pocket calculator when asked how many drinks he'd had. In front of a cop who'd pulled him over for suspected drunk driving. He had not had any drinks that night.

TRANSITION: Speaking of cops...

B. Dick has a lengthy criminal record.

1. Beginning his criminal career when he literally stole candy from the chief of police's baby at 12, Dick has continued to spiral.
 - a) Dick is wanted in five states. The cops are still looking for him, and he has been living under an assumed identity. Dick isn't even his real name, and this marriage is technically illegal.
 - b) Dick is already married. To his cousin. She is the reason he is no longer allowed in the state of Texas, because she's threatened to castrate him on sight. Texas is not even one of the states he's wanted in.
2. Because Dick has such a long criminal record, he has not held a job in the past 12 years.
 - a) he paid for this ceremony by selling his plasma. I don't think the human body has enough plasma to sell to be able to afford a whole wedding.
 - b) he has spent 7 of the past 12 years searching for the ancient relic "ligma balls" because his sole friend (who is 13, and his best man) told him that they were worth a lot of money.

TRANSITION: Because of our lack of budget we have had to:

C. This wedding has been hell in a hand basket to put on.

1. Ordering "catering" from McDonald's. If you wondered why the cake has Ronald McDonald on it, there's your answer.
 - a) I don't think they make these cakes anymore, and it's a funny color. I offered to make one with box mix, which would probably have been cheaper, but apparently to the groom it was imperative that the clown appear.
 - b) The Bride is vegan. There is nothing here that she can eat. She cannot eat at her own wedding.
2. The groom is wearing a hoodie and jeans.
 - a) He threw a literal, screaming temper tantrum when the mother of the bride tried to convince him to wear a suit.

- b) However, he demanded the bride wear a dress which barely qualifies as a dress.
I have seen strippers more covered.
- 3. There are no chairs.
 - a) I don't even know what more I can say. They couldn't even afford chairs for you all to sit down on.

TRANSITION: I'm gonna wrap this up so you all can sit down.

III. Conclusion

- A. In this speech I've tried to give you all of the information you need to protest this union, and I will not let this wedding proceed any further.
- B. Main Points:
 - 1. Dick is a liar
 - 2. Dick is a criminal
 - 3. Dick is an asshole.
- C. In conclusion, I object to this union. I cannot believe that we let it get this bad. Dick cannot be allowed to marry my best friend.
